

## Áttekintés

## Termék információ

**FEAC-S-016A-P4-03-0.0M-220700000033**

A charging socket for a charging post, cable-free, for charging electric vehicles (evs) using alternating current (AC) , Type 2, IEC 62196-2, 16A/250V (AC) , enclosure: Black, DEGSON logo

## A termék előnyei

- ☒ All Degson vehicle sockets and plug-in power supply sockets are designed in a unified manne
- ☒ Both power and signal contacts are silver plated
- ☒ passed IATF 16949:2016 certification
- ☒ It conforms to human mechanics and is easy to operate

## Environmental conditions

|                                           |                         |
|-------------------------------------------|-------------------------|
| Maximum altitude                          | 5000m(Above sea level ) |
| Ambient temperature (operation)           | — 30 °C ~ 50 °C         |
| Ambient temperature (storage / transport) | — 40 °C ~ 80 °C         |
| IP class                                  | IP54(coupling )         |

## Electrical characteristics

|                      |     |
|----------------------|-----|
| Maximum charge power | 4KW |
| Phase                | 1   |
| Power pin quantity   | 3   |

|                                      |                        |
|--------------------------------------|------------------------|
| Rated current of high-power contacts | 50                     |
|                                      | 16                     |
| Power contact rated voltage          | 250                    |
| Quantity of signal contacts          | 2                      |
| Signal contact rated current         | 2                      |
| Signal contact rated voltage         | 30                     |
| Signal transmission type             | Pulse width adjustment |

Mechanical properties

|                         |        |
|-------------------------|--------|
| Insertion/pullout cycle | 10000  |
| Insertion force         | < 100N |
| Pull out force          | < 100N |

Marking material

|                           |                                             |
|---------------------------|---------------------------------------------|
| Shell color               | black                                       |
| Actuation component color | Silver                                      |
| Cover color               | black                                       |
| Customization basis       | Provided according to customer requirements |
| Shell material            | Plastic                                     |
| Protective cover material | Plastic                                     |
| Flammability rating       | V0                                          |
| Contact surface material  | Ag                                          |

Environmental Product Compliance

|            |         |
|------------|---------|
| REACH      | conform |
| China RoHS | conform |

Dimension

|                          |                                  |
|--------------------------|----------------------------------|
| Vehicle connector height | 45mm(Vehicle charging connector) |
|--------------------------|----------------------------------|

Vehicle connector width

100mm(Vehicle charging connector)

Melléklet

Üzleti adatok

|                                      |             |
|--------------------------------------|-------------|
| Rendelészám                          | 22070000033 |
| Csomagolási egység                   | 36          |
| Minimális rendelési mennyiség        |             |
| A termékek súlya (csomagolás nélkül) | 0.474kg     |
